

IntiEdge Partners Inc. — Folder Contents

A guide to what lives in each folder and what every file contains.

brochures — Client-facing lead brochures — the first thing a prospect sees

executive.docx / .png	Corporate / mid-market version for CEOs, CFOs, boards and PE-owned firms. Names five business pain points and answers them with three pillars: Finance Leadership, Operations & Growth, and Technology & AI.
smallbusiness.docx / .png	Simpler small-business-owner version. A plain checklist of relatable problems (slow reports, too many spreadsheets, manual work) and IntiEdge's promise to implement, not just advise. Introduces Shelly Moffat, EMBA.

services — Service capability one-pagers, shared once a prospect is interested

cfo.png	Finance Leadership & CFO Advisory: fractional CFO, interim controller, reporting & analysis, budgeting & forecasting, cash flow, KPIs.
operations.png	Operations & Process Improvement: process mapping, workflow optimization, performance management, business scalability.
advisory.png	General Advisory: the broad capability statement bridging finance, operations, technology and AI for wider engagements.

marketing — Supporting sales collateral

feestructure.png	Fee structure and engagement options — shared after a project is discussed.
timeline.png	Engagement timeline / roadmap — used after the discovery conversation.
cardfront.png / cardback.png	IntiEdge business cards (Vista print files), front and back.
signature.png	Branded email signature.

branding — Logo and the master brand / website guide

logo.png	The IntiEdge Partners logo.
website.docx	Brand & website playbook: a 7-page site plan, positioning lines, official colours (Navy #0B2A63, Teal #118DA3, Blue #148EEA), Montserrat typography, and the recommended consultative sales sequence.

resumes — Same career, three role-targeted angles, plus a personal statement

strategy.pdf	Resume framed around finance strategy, budget planning and operational excellence.
finance.pdf	Resume framed around finance leadership, governance and controllership (CPA in progress, IFRS).
operations.pdf	Resume framed around business, finance and people operations.
purpose.pdf	One-page statement of purpose: "Lead with kindness, grow continuously, and elevate people and organizations through purposeful leadership."

photos — Professional photography

proposal.jpeg	Professional photo for brochures, proposals and the website About page.
linkedin.webp	LinkedIn headshot.

notes — Source material

meetingnotes.jpeg	Handwritten discovery notes that started the project: the name's meaning ("inti = core"), the website's goals, target-client questions, and the agreed creative direction.
